
COMPREHENSIVE ADDICTION AND RECOVERY ACT FACES.NET ALLEGATIONS

CREATION DATE: October 31, 2017

Pointers to Remember:

1. In collaboration with practice governance related to CARA, two additional allegation types have been added to FACES.NET.
 - **“Fetal Alcohol Spectrum Disorder (FASD)”**
 - **“Substance use by a parent, caregiver, or guardian”**
2. These Allegation types can be added to either Family Assessment or Investigation Referrals.
3. Allegations can be added individually or via Fast Add option.

Entering an Allegation(s)
