GOVERNMENT OF THE  
DISTRICT OF COLUMBIA  
DC MURIEL BOWSER, MAYOR

# Newborn Safe Haven Program Annual Status Report 2021

## Introduction

*The Newborn Safe Haven Amendment Act of 2010* (D.C. Law 18-158; D.C. Official Code § 4–1451.01 *et seq.*) allows a parent who resides within the District of Columbia to surrender a newborn infant 14 days old or less to staff at designated hospitals (Authorized Receiving Facilities or ARFs), in the District of Columbia, confidentially and without fear of prosecution, if there is no evidence of child abuse or neglect. Under the law, hospitals are required to notify the Child and Family Services Agency (CFSA) immediately when a newborn is surrendered. CFSA gains custody of the newborn from the hospital within 23 hours of the notice and provides foster care services to the newborn while seeking a permanent home through adoption.

The law requires the Mayor to submit an annual status report giving an update on the number of newborns in the District of Columbia surrendered under the law within the reporting calendar year. This status report to the Council of the District of Columbia fulfills this requirement.

## Activities

Information and trainings were facilitated by the staff responsible for the Newborn Safe Haven Program on the following dates:

- Presentation and dissemination of materials in a CFSA All Staff Webinar training on October 27, 2021.
- Presentations to CFSA Program Operations Permanency 2 Division Units via virtual platform were conducted on December 4, 2020, December 21, 2020, and March 15, 2021.
- During 2021, information on the Newborn Safe Haven law was disseminated to approximately 38 professional and social work staff.

Training has been scheduled for the Adoptions Unit within CFSA for January 26, 2022 as well as for the Georgia Avenue Family Support Collaborative on February 18, 2022. This team will continue to schedule trainings to Divisions within CFSA, the Community Collaboratives and other Community Partners throughout 2022. These trainings will ensure that social workers and other professionals are continuously aware of the policies and procedures relating to the Newborn Safe Haven Program. The training will be conducted by the staff responsible for the Newborn Safe Haven Program with the support of the CFSA Child Welfare Training Academy. The trainings will be offered at varied times and through various modalities to ensure all tours of duty are covered and to compliment all learning styles.

Information about the program can be found on CFSA's website at <http://cfsa.dc.gov/service/safe-havens-newborns>. Safe Haven locations can be found in the *DC Safe Haven General Information* publication found on CFSA's website.
