**Request for a Child Protection Register (CPR) Check**

The purpose of the Child Protection Register is to protect children and to ensure their safety by maintaining an index of perpetrators of child abuse and neglect in the District of Columbia. This confidential index includes the names of individuals with substantiated and/or inconclusive findings from the investigative reports of the Child Protective Services Unit of the Child and Family Services Agency. Authorized individuals may request background checks to establish whether an individual has a record of substantiated abuse or neglect of a child that occurred in the District of Columbia.
