Human Trafficking Resource Guide
About this Resource Guide

This directory serves as a comprehensive listing of service providers throughout Northern Virginia, the District of Columbia and Maryland focusing on sex trafficking. The directory is organized by locale and within each jurisdiction by the following categories: Direct Service(s) - Emergency Shelter; Therapy/Counseling; Support (educational, tutoring, mentoring), Legal, Hotline Services and Advocacy and National Resources. The directory does not presume to be a catalogue of all service providers relative to sex trafficking, however, instead those that best fit the human services and child welfare lens for service provision geared towards sex trafficking victims. This directory is intended to provide a central source of information for direct line social workers relative to sex trafficking services and information resources. It is hoped it will be a valuable resource and as newly relevant resources are identified, the directory will be updated.
