SMS/Text/Email/Phone Communications

By providing your cell phone number and email to CFSA, you agree that CFSA may contact you by telephone, email, SMS, or MMS messages to send you information that we think may be of interest to you at that phone number.

By providing your consent, you agree to receive communications from CFSA for transactional, operational, or informational purposes. Additionally, you confirm that every person you register for the services, or for whom you provide a wireless phone number, has given consent to receive communications from CFSA. You also acknowledge the responsibility to indemnify and protect CFSA from any claims, liabilities, damages (actual and consequential), losses, and expenses (including attorney's fees) resulting from or connected to any breach of the aforementioned agreement.

Your mobile service provider may impose message and data rates, subject to their terms. You can opt out of receiving text messages at any time by adjusting notification settings in your account or following provided instructions. Be aware that opting out of all texts may affect your use of the Services.

If you change or deactivate your provided phone number, it's your responsibility to update your account information promptly. This prevents inadvertent communication with anyone acquiring your previously attributed phone number(s). Any new phone number(s) attached to your account may receive CFSA's standard SMS messages unless you also unsubscribe using the provided procedures.
