

Youth Personal Allowance Log

Resource providers are to maintain a distribution log with the date of each distribution, amount, payment methods (e.g., cash, debit card), any comments (e.g., it was withheld this week) and the youth's signature or initials to acknowledge receipt or withholding. This clear accounting can be helpful to resolve confusion or potential disputes that may occur. This log should be filled out monthly and kept in the youth's placement packet.

Youth Name		Resource Parent Name	
------------	--	----------------------	--

Please submit this form via email to [the youth's social worker](#) each month. Taking a cell phone photo and emailing this form is acceptable.

Date	Amount	Method	Comments	Youth Signature

Please share any comments about successes or challenges with the allowance this month.

If you have questions about youth allowance or withholding, contact the youth's social worker.
